Orbital Banshee Blitz

Sounding just as frightening as its land counterpart, the indigo Orbital Banshee is a one-man space craft of the Covenant. The Orbital Banshee is armed with twin Heavy Plasma Cannons and the devastating Fuel Rod Cannon for ship-to-ship dogfights. A single Automated Point-Defense Turret is the UNSC's only hope in defending against this enemy.

Bombardeo aéreo de Banshee Orbital

Tan temeroso como su contraparte para terreno, el Banshee Orbital índigo es una nave espacial para un hombre del Covenant. El Banshee Orbital está armado con dos cañones de plasma pesados y un devastador cañón de proyectiles para duelos de nave a nave. Una única torreta automática de punto de defensa es la única esperanza de CENU para defenderse de este enemigo.

Attaque de Banshee orbital

Tout aussi terrifiant que son équivalent terrestre, le Banshee orbital bleu indigo est un aéronef monoplace du Covenant. Le Banshee orbital est armé de puissants canons au plasma et du canon à barreau combustible dévastateur pour les combats aériens. Le seul espoir du CSNU est une tourelle de défense automatisée qui pourra peut-être repousser l'ennemi.

Orbitaler Banshee Luftangriff

Klingt genauso beängstigend wie das Bodengegenstück. Der indigofarbene Orbital Banshee ist ein Ein-Mann-Raumschiff der Covenant. Die Orbitale Banshee ist mit zwei schweren Plasmakanonen und der verheerenden Brennstabkanone für Schiff-zu-Schiff Luftkämpfe bewaffnet. Ein einziger automatisierter Punkt-Verteidigungsdrehturm ist die einzige Hoffnung der RVN, um gegen diesen Feind zu verteidigen.

Bliksemaanval met Banshee-ruimtevliegtuig

Net als het normale gevechtsvliegtuig is het blauwe sBanshee-ruimtevliegtuig een eenmansvliegtuig van de Covenant. Het Banshee-ruimtevliegtuig is uitgerust met dubbele Heavy Plasma Cannons en een vernietigend Fuel Rod Cannon voor ruimteduels. Met één automatische Point-Defense Turret moet de RVN zich tegen deze vijand zien te verdedigen.

Blitz Banshee orbitale

Con un nome altrettanto terribile della sua controparte terrestre, il Banshee orbitale indaco è un veicolo spaziale monoposto del Covenant. Il Banshee orbitale è armato con due cannoni pesanti al plasma e con il devastante cannone a carburante per duelli ravvicinati nave contro nave. Una torretta di difesa singola automatica è la sola speranza di difesa contro il nemico di CSNU.

Blitz Orbital Banshee

Aparentemente tão assustador quanto sua contraparte de terra, o Orbital Banshee azul é uma nave espacial para um tripulante do Covenant. O Orbital Banshee é armado com canhões duplos pesados de plasma e o devastador Canhão Radioativo para batalhas entre caças. Apenas uma Torre de tiro automática como ponto de defesa é a única esperança da CENU para se defender contra seus inimigos.
