WORKS  
WITH LEGO<sup>®</sup>

These instructions will show you how to build the castle pictured on your set's package. Following these steps will show you how the Tyco super block castle pieces work together. After you've seen how we built our castle you will be able to use your imagination to make up your own designs for towers and castles. That's really the best part of your Tyco super blocks.

**TYCO SUPER BLOCKS ARE SAFE, CREATIVE, FUN.**

TYCO "Standard Size" SUPER BLOCKS are intended for use by children 4 years of age and older. As with any toy construction set, TYCO SUPER BLOCKS contain many small parts that must be kept away from children under 3.
