WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

THE AZURE KINGFISHER LE MARTIN-PÊCHEUR À DOS BLEU EL MARTÍN PESCADOR AZUR

 The majestic Azure kingfisher is the perfect size to fit into your home decor. Its vibrant plumage and iridescent glow reflect colors from bright turquoise to dark royal blue against its warm orange chest. Wildlife photographers often capture it in this characteristic pose, emerging from the water with a dynamic splash, carrying its prey to a nearby branch. That's what we wanted to recreate in this model – with a support beam that helps create an illusion of flight and motion.

 Le majestueux martin-pêcheur à dos bleu a la taille idéale pour s'intégrer parfaitement dans votre décor. Son plumage éclatant et son chatoyement irisé reflètent des couleurs allant du turquoise vif au bleu royal foncé sur sa poitrine d'un orange chaud. Les photographes de faune sauvage le saisissent souvent dans cette pose caractéristique, alors qu'il émerge de l'eau en créant une éclaboussure dynamique avant de transporter sa proie vers une branche environnante. C'est ce que nous avons voulu recréer dans ce modèle, avec un socle qui aide à créer une illusion de vol et de mouvement.

 El majestuoso martín pescador azur tiene el tamaño perfecto para integrarse en la decoración de tu hogar. Su brillante plumaje y su iridiscente resplandor proyectan colores que van del turquesa brillante al azul marino oscuro, en contraste con su cálido pecho anaranjado. Los fotógrafos de animales salvajes suelen capturarlo en esta pose característica, emergiendo del agua con un dinámico chapoteo mientras transporta a su presa hasta una rama cercana. Es exactamente lo que queríamos recrear en este modelo, para lo que usamos una barra de apoyo que contribuye a crear una ilusión de vuelo y movimiento.

SPECIES

Endemic mainly to Australia and Tasmania, the Azure kingfisher (*Ceyx azureus*) is one of over a hundred kingfisher species found around the world.

ESPÈCE

Endémique principalement en Australie et en Tasmanie, le martin-pêcheur à dos bleu (*Ceyx azureus*) n'est qu'une des centaines d'espèces de martins-pêcheurs que l'on retrouve à travers le monde entier.

ESPECIE

Originario principalmente de Australia y Tasmania, el martin pescador azul (*Ceyx azureus*) es una de las más de cien especies de martin pescador que existen en todo el mundo.

DIET

The Azure kingfisher favors small fish, prawns and other small crustaceans.

ALIMENTATION

Le martin-pêcheur à dos bleu affectionne les petits poissons, les crevettes et d'autres petits crustacés.

ALIMENTACIÓN

El martin pescador azul prefiere los peces pequeños, los camarones y otros crustáceos menores.

SIZE

Adults, both males and females, are typically 7 in. (18 cm) long and weigh around 1 oz. (30 grams).

TAILLE

Les adultes, tant les mâles que les femelles, mesurent généralement 18 cm de long et pèsent environ 30 grammes.

TAMAÑO

En estado adulto, tanto los machos como las hembras suelen medir unos 18 cm de longitud, con un peso aproximado de 30 g.

INVITE NATURE IN FAITES ENTRER LA NATURE DEJA QUE PASE LA NATURALEZA

 Being in and around natural elements inspires a strong sense of well-being in us. Interior design elements that connect us to nature have also been proven to help us feel happier, reduce our stress levels, enhance our creativity and clarity of thought – and even boost our productivity. As most of us spend the majority of our time indoors at work and at home, it's only natural if we feel the urge to invite the outdoors inside with us. With the Azure kingfisher recreated here in its natural environment with splashing water and cattail plants (*Typha*), you can bring a refreshing slice of nature into your home.

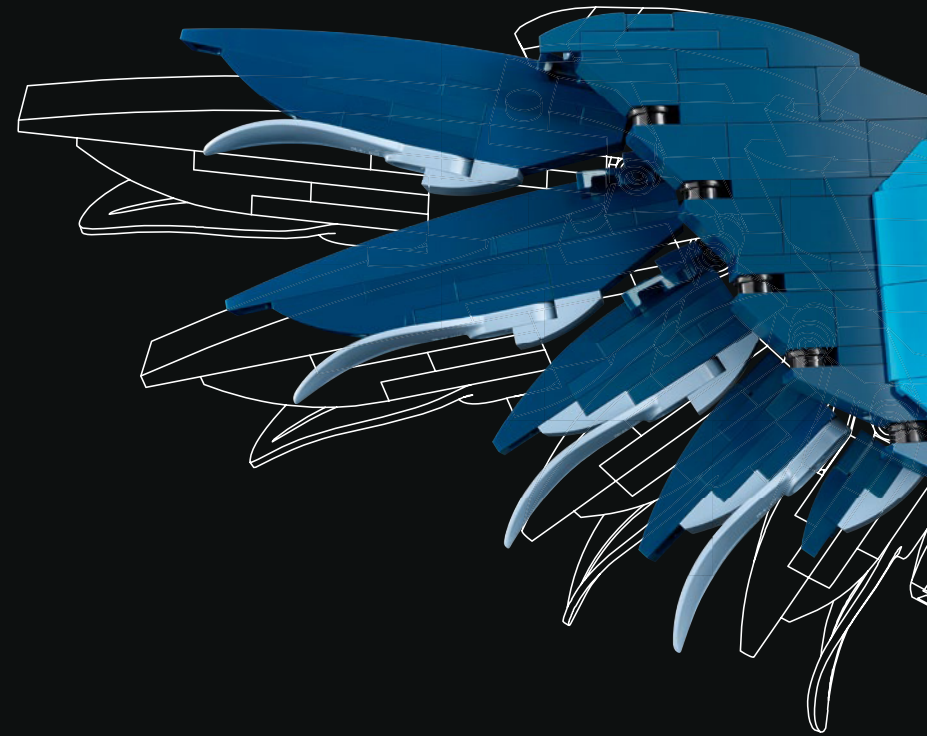

Sven Franic, Senior LEGO® Model Designer

 Le fait d'être entouré d'éléments naturels nous inspire un fort sentiment de bien-être. Il a également été prouvé que les éléments de décoration intérieure qui nous relient à la nature nous aident à nous sentir plus heureux, à réduire notre niveau de stress, à améliorer notre créativité et notre clarté d'esprit, et même à stimuler notre productivité. Comme la plupart d'entre nous passent la majeure partie du temps à l'intérieur, que ce soit au travail ou à la maison, il est tout à fait naturel que nous ayons envie d'inviter l'extérieur à nous suivre à l'intérieur. Avec le martin-pêcheur à dos bleu, recréé ici dans son environnement naturel avec des éclaboussures d'eau et des quenouilles (*Typha*), vous pouvez faire entrer un soupçon rafraîchissant de nature dans votre maison.

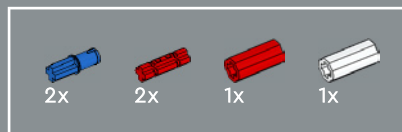

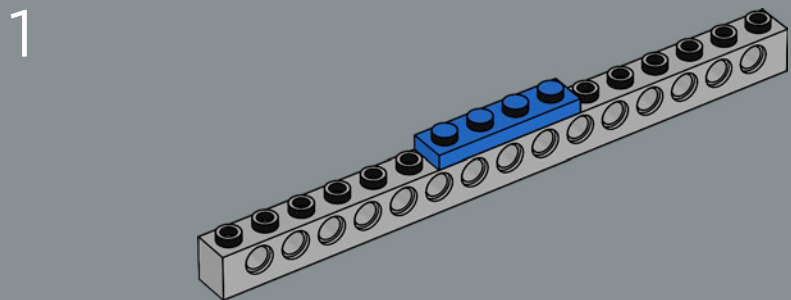

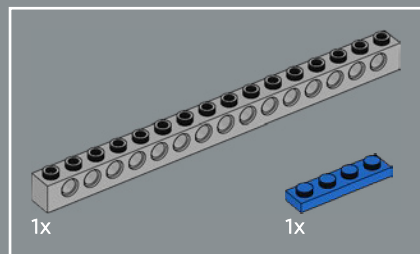

Sven Franic, concepteur principal de modèles LEGO®

 Estar en la naturaleza y rodearnos de elementos naturales nos inspira una fuerte sensación de bienestar. También se ha demostrado que los adornos interiores que nos conectan con la naturaleza nos ayudan a sentirnos más felices, reducen nuestros niveles de estrés, mejoran nuestra creatividad y claridad de pensamiento, e incluso incrementan nuestra productividad. Puesto que la mayoría de nosotros pasamos casi todo el tiempo en espacios cerrados, ya sea trabajando o en casa, es natural que sintamos el impulso de acompañarnos de objetos que nos recuerden la vida al aire libre. Con el martín pescador azul aquí recreado en su entorno natural, con salpicaduras de agua y plantas de junco (*Typha*), puedes llevarte a casa un refrescante pedazo de naturaleza.

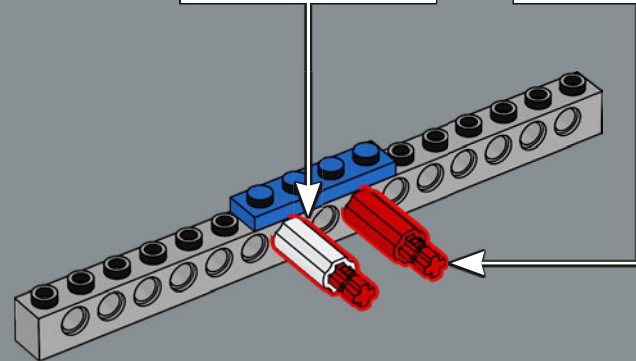

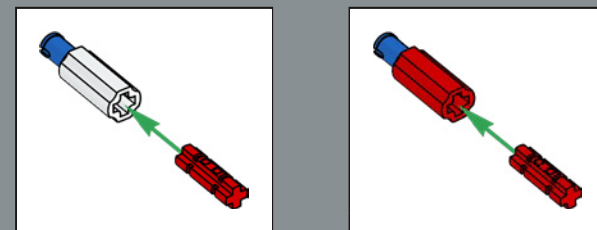

Sven Franic, modelista sénior de LEGO®
